OBOZOKHAE EDEGHOGHON

FRONTEND DEVELOPER

Lagos, Nigeria │ edeghoghonjoy@gmail.com │ +2349128307619 │linkedin.com/in/ede123/

SUMMARY

Frontend Developer skilled in HTML, CSS, JavaScript, and React, focused on building responsive, user-centric web applications. Experienced in modern UI development, clean code, and API integration to deliver seamless digital experiences. Passionate about innovation and advancing frontend skills to contribute to dynamic teams..

PROFESSIONAL EXPERIENCE

Software Developer | Algorism   **May 2025 - Present**

- Developed responsive and interactive user interfaces for web applications using **React, JavaScript, and CSS**, directly contributing to core product features.
- Optimized critical React components through code splitting and on-demand rendering, resulting in an estimated 15–20% improvement in page load time and a smoother user experience.
- Collaborated in an **Agile** team environment, utilizing **Git** for version control and participating in **code reviews** to ensure code quality and share knowledge.

IT Support Intern | Nigerian National Petroleum Corporation (NNPC)   **Mar 2023 - Aug 2023**

- Diagnosed and resolved hardware and software issues, developing strong analytical and problem-solving skills.
- Supported the deployment and maintenance of IT systems across multiple departments.

PROJECTS

Netflix Clone – React Web Application   **Aug 2025**

- Developed a Netflix-inspired web app using React, JavaScript, and CSS, featuring a modern, responsive user interface.
- Implemented Firebase Authentication and integrated the TMDB API for dynamic movie data.
- Enabled trailer playback and responsive design, ensuring functionality across desktop and mobile devices.
